

**Amendments to the Claims:**

This listing of claims will replace all prior versions, and listings, of claims in the application:

**Listing of Claims:**

1. (Original) A method for improving photostability of fasudil or a salt thereof in a transparent and colorless container comprising maintaining an aqueous solution of the fasudil or salt thereof at a pH of 5.5 or less.

2. (Original) The method according to claim 1 comprising maintaining the aqueous solution of the fasudil or salt thereof at a pH of 5 or less.

3. (Currently Amended) The method according to claim 1 ~~or~~ 2, wherein the photostability improvement comprises reducing the content of decomposition products of fasudil and/or preventing coloration.

4. (Currently Amended) The method according to claim 1 ~~any one of claims 1 to 3~~, wherein the aqueous solution of the fasudil or salt thereof is an intravascular injection preparation.

5. (Currently Amended) The method according to claim 1 ~~any one-  
of claims 1 to 4~~, wherein the transparent and colorless container is a  
transparent and colorless glass container.

6. (Original) A method for preserving an aqueous solution of fasudil  
or a salt thereof in a transparent and colorless container comprising  
maintaining the aqueous solution at a pH of 5.5 or less.

7. (Original) An injection fluid preparation comprising an aqueous  
solution of fasudil or a salt thereof at a pH of 5.5 or less aseptically filled in  
a transparent and colorless container.
